

## Winter Age Group Swim Team Assistant Coach/Part Time:

### **Summary:**

The assistant coach needs to demonstrate excellent leadership and oral/written communication skills. It is very important for the assistant coach to maintain a positive working relationship with the head coach, the swim parents and the participants. The team will need to be instructed on good sportsmanship, competitive spirit and teamwork skills. Even though this will not be swim lessons it is also important the coach has specific ability to teach form, technique and good competition methods. Assistant swim coach is responsible for knowing how to apply swim competition techniques to practice and meets by being organized and working within the visions and mission of the Lemont Park District.

### **Qualifications:**

- Must be 17 years of age or older
- Must be First aid, CPR and AED certified
- 1 year experience preferred
- Understands USA swimming rules, codes and safety regulations
- Proficient with Meet Manager and Team Manager software a plus
