## Week 7: Animal Week

Welcome to Lemont Park District's Day Camp. This week, July 27-July 31, we will be having an animal-filled week!

Last week, campers enjoyed science week and had fun doing some pretty cool experiments! Check out the picture below!

This week, campers will participate in animal themed crafts and games led by their counselors.

As state guidelines are ever changing this summer, our camp will be following the guidelines from the restore Illinois plan.

Your camper's counselor will have you complete a wellness check and "Be Safe Together" agreement with your camper.

The Lemont Park District Day Camp will have the opportunity to swim daily rain or shine. Day camp will have exclusive pool time at The CORE indoor pool Monday-Friday from 1-3 pm.

For swimming, campers should bring their swim suit and towel in a plastic bag with their name on it. Additionally, if the camper needs a PFD (life vest) parents must supply

a US Coast Guard Type II, Type III or Type V (puddle jumpers) with their child's name clearly marked on the vest. Life vests are not available through the park district. Floaties, swimsuit or blow up life vests are not approved and will not be allowed.

Campers will be responsible for all their personal belongings. We do our best to retrieve lost items, but it's important to review this responsibility with your camper!

We are so excited to have a week full of animal crafts, games, and more!

Check out the schedule on the back for more details about our daily schedule for the week!

**In case of inclement weather, the campers will be in the CORE gym basketball courts. You will see a sign near the entrance of the park district campus that will notify you that drop-off/pick-up will be at the CORE. Campers and their guardians will enter the building through the court doors near the Community Courtyard (water feature with benches). There will be a sign on the door that says "Day Camp Entrance".**
