**WEAR YOUR COSTUME TO SCHOOL**

Our first month has flown by. We have had fun getting to know each other and have adjusted well to the routines of our school day.

The children have been working hard learning our first letters and numbers as well as journaling.

Please continue working on the letter homework sheets with your child which go home on Friday. Include photos and drawings on the back for the letter which are used for activities the following week.

Starting this month, we will also be introducing our first sight words:

**And, the, I, you, it & in**

Please continually review these with your child.

The children are doing a great job wearing their masks and following our new safety procedures.

#### October is Fire Prevention Month

We will be doing in class activities to learn about fire safety.

#### Halloween Activities

Children can come to school dressed in their costumes for our fun activity day. Also please remember to have your child wear their mask and proper school shoes that day.

#### **REMINDER:**

Please empty your child's folder **DAILY**. Important papers go home every day.

Did you know that the Lemont Park District is on Facebook? Friend us for announcements, class cancellations, special events and more!

As we are becoming comfortable with our classroom routines and schedules, we are also reinforcing positive behavior and discouraging negative behaviors.. Please discuss with your child what is expected at preschool

and the consequences of unacceptable behavior.

**Our goal is to have a great day everyday!!!!!!**
