

Four Year Old's

Hand in Hand Together We Grow!

Let's Leap into Fall !!

October 2020

What a great beginning we have had! The children are happy and have adjusted nicely to the routine of school. We have been working hard on letters, shapes and numbers. Please continue to help them with using scissors and printing their names. We use scissors **everyday** in school and we print our first names on all of our worksheets and our artwork. Working with your child at home will help them with their confidence at school.

The children are doing a great job wearing their masks and following our new safety procedures.

Halloween Activities

We will be celebrating Halloween on Friday, October 30th. Children can come to school dressed in their costumes for our fun activity day. Also please remember to have your child wear their mask and proper school shoes.
