

Three Year Old's

Hand in Hand Together We Grow!

Let's Leap into Fall !!

October 2020

The first month has gone by so quickly!! We have had a great beginning to preschool! The children are learning each other's names and class routines.

We have finished a number of our colors. They have done lot's of great cutting.

Keep practicing tracing our names and cutting at home. It will help your child during class become more confident in their skills.

Please take your child to the bathroom **BEFORE** they come to school.

The children are doing a great job Wearing their masks and following our new safety procedures.

October is Fire Prevention Month

We will be doing in class activities to learn about fire safety.
