**Better Class, Bar None** This strengthening class is both challenging and satisfying! There's no better way to start the week. Body bars and tubes will be provided! All fitness levels welcome!

**Bootcamp** Bootcamp is an interval class which incorporates cardio and strength training. In an inviting, motivating and inspiring group environment, this class is designed to get results in both speed and endurance, while tightening and toning the entire body!

**Cardio Resistance Training (CRT)** Total body strength class that works all muscles. Using a variety of equipment from dumbbells to resistance bands with bursts of cardio. New and different exercises challenge your muscles to build strength while burning calories.

**CORE POWER** Creative Core and Cardiovascular exercises will focus on the abdomen and back muscle groups along with glutes. Using upright and weight bearing positions to build stronger muscles throughout. A variety of equipment and body weight will be used.

**Cycle Spin** This class is an invigorating way to blast off calories while listening to fun and motivating music. This class is designed to work leg muscles, strengthen your CORE and is a great workout for all!

**Hatha Yoga** Hatha yoga focuses on breathing, poses and stretches. These positions will feel natural, comfortable and will flow fluidly into one another at a relaxed pace. Resistance can be added or lessened simply by shifting your body's center of gravity. The practice will begin with practicing pranayama, deep breathing through the nose. Leading up to a series of poses and stretches then ending with three to five minutes of guided meditation. The atmosphere is mellow and inviting. Suitable for all levels. Please bring a sticky yoga mat.

**High Intensity Interval Training (HIIT)** A one-hour class that will combine intense cardio bursts and strength segments to challenge all the body's muscles.

**Kettlebell** This 45-minute class will give fast results for strength, endurance and muscle toning by challenging both the muscular and cardiovascular systems with dynamic, total body movements.

**Mix It Up** Join us for a premiere total-body workout. This class includes cardio conditioning in the form of step, kickboxing or high/low impact aerobics. We will also be strength training by using hand-held weights and working out the lower body.

**Pilates** Mat Pilates builds strength and flexibility, particularly of the abdomen and back muscles using your own body weight. Other benefits are improved posture, balance, leaner muscles and CORE strength. With proper breathing you will de-stress and increase weight loss. This class is for beginner-advanced.

**Strength Embrace** Is a challenging core and body strength workout for all levels. Hand weights and body resistance exercises will be incorporated into this 45-minute workout class.

**TABATA** Blast fat and strengthen your entire body in only 30 minutes with this intense workout! Tabata features 20-second intervals of extreme exercise, followed by 10 seconds of rest, repeated eight times without pause. With full intensity of execution, you'll be guaranteed results!

**Tai Chi** Tai Chi is an ancient Chinese martial art that is being rediscovered here as a health exercise. This class brings the mind, body and spirit together with isometric, balance and leg strengthening exercises. Movements are executed slowly and precisely to learn proper body alignment.

## **Yoga**

A combination of Vinyasa flow and Hatha yoga providing the body a good stretch and strength. Good for beginners or advanced yoga practitioners. Please bring a sticky yoga mat.

**Yogalates** Yogalates is integrating Yoga poses and Modern Pilates techniques for compete fitness, strength and flexibility. Yogalates develops CORE strength, tones muscles, increases flexibility and reduces stress. Matwork from Pilates and Yoga poses will warm and strengthen the body.
