

Finally 5's

Hand in Hand Together We Grow!

What's been happening...

It's hard to believe it's our last month of school.

We will be finishing up with our alphabet and journals and reviewing over all that we've learned along with our sight words.

Please keep working with your child on learning their phone number and address. We have been reviewing these in class.

We have some fun things planned for the end of the school year. Watch for details about our Pre-school Family Appreciation Picnic, and of course, our Graduation program.

The Lemont Park District would like to wish you a safe and happy summer!
