Camp Centennial Swim Lessons

Campers in swim lessons need to bring a swimsuit and towel every morning. Please have your child dressed and ready by 8:30am at The CORE pool. This week there is swim lessons every morning Monday through Thursday. Thank You!

Week 7: Holiday Week!

Although we are all having the best summer, there are so many holidays we all look forward to as summer comes to an end. So, what if we didn't have to count down the days until Halloween or Christmas? What if we celebrated all of our favorite holidays next week in camp?! Let's do it!

No need to count down days any longer because holiday week is here!

We will also be meeting all hikers and parents at the Forge on Wednesday July 14th from 8:30am – 9:00am for check in. (Located at the Forge Overflow Parking Lot Pavilion.)

As state guidelines are ever changing, our camp will be continuously following the guidelines. Our administrators and counselors have worked hard to modify our camp to meet these guidelines and appreciate your cooperation during this time.

Before arriving at camp, parents and/or guardians need to complete the health screening questions via EPACT to verify the camper's wellness before entering their age group's campsite. Then, counselors can scan campers into the system using the QR code provided by the parent and/or guardian through the app.

Additionally, all counselors will review the state guidelines we are following along with the camp rules with all campers.

. HAPPY.
EVERYTHING
* and merry always *

In case of inclement weather, the campers will be in either the Centennial building or The CORE. Please call the service desk to find out where dismissal will be for the day. A sign will also be posted near the stop sign outside the Centennial Building informing parents where pickup will be for the day. Thanks.
