## Week 8: Under the Sea Week!

What did Sebastian say to Ariel when she wanted to become human? I think it went something like, "since life is sweet here, we got the beat here naturally. Even the sturgeon and the ray, they get the urge and start to play. We've got the spirit; you've got to hear it under the sea!" I think he's right, life sounds pretty sweet there!

So, join us as we bring on the same spirit and dive in to explore the beautiful sea next week!

As state guidelines are ever changing, our camp will be continuously following the guidelines. Our administrators and counselors have worked hard to modify our camp to meet these guidelines and appreciate your cooperation during this time.

Before arriving at camp, parents and/or guardians need to complete the health screening questions via EPACT to verify the camper's wellness before entering their age group's campsite. Then, counselors can scan campers into the system using the QR code provided by the parent and/or guardian through the app.

How do you make an octopus laugh? With TEN-tickles
