

August 26, 2021

Dear Lemont Park District Community,

We hope this email finds you well and safe! Today, Thursday, August 26<sup>th</sup>, Governor Pritzker announced a state-wide, mandatory mask mandate will be reinstated beginning Monday, August 30<sup>th</sup>, for all indoor public facilities in the State of Illinois. Per this State order, face coverings must be worn indoors at all Lemont Park District facilities at all times beginning on Monday, the 30<sup>th</sup> of August.

Please note, beginning this Monday, if people are not wearing face coverings throughout a District facility at all times, they will be asked to leave. The Service Desk will have some masks available for anyone who may have forgotten to bring one.

The Lemont Park District will always put safety first and continue to follow all local, state and federal COVID-19 safety guidelines and mandates. Details of the Restore Illinois plan as well as the latest mitigation and mandate information can be found on the Illinois Department of Public Health (IDPH) website at [www.dph.illinois.gov](http://www.dph.illinois.gov).

Thanks as always for your continued support and we hope to see you soon!

Sincerely,

The Lemont Park District Staff
