

Finally 5's

Hand in Hand Together We Grow!

What's Been Happening

October was a busy fun-filled month. We had a visit from the fire department. We enjoyed our hayride to our pumpkin patch and had fun dressing up for Halloween!!

This month we will continue introducing a new letter and number each week, as well as, adding to our sight word list. We will be covering letters G thru J, as well as, numbers 7 thru 10. Our new sight words this month will be: he, she, at, no, so & go.

Please help to reinforce these letters, numbers and sight words by practicing at home. Continue also practicing writing their names with upper and lower case letters.

As cooler weather moves in, please remember to label all coats, boots, hats and gloves with your child's name. Also, when your child begins to wear snow boots, please bring a change of shoes for class. Thank you!

Notice:

If your child is out ill, please remember to call our absentee hotline at 630-257-6787 ext. 3017. Please let us know the reason for staying home and their symptoms if they are not feeling well.

Do you have extra time during your week? The Lemont Park District Preschool is looking to extend our substitute list.

Please contact Pam Carter at 630-257-6787 x3001.

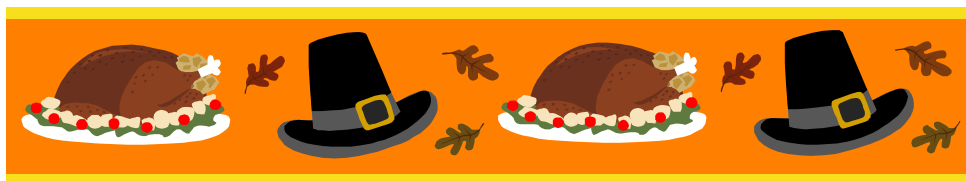

November 2022

Dates to remember:

**November 11th:
Fundraiser ends**

**November 23rd-25th:
NO SCHOOL**

Thanksgiving Holiday

Preschool Arrival

Please bring your child to school on time. Arriving late disrupts our class time and can make your child uneasy.

"Sometimes the smallest things take up the most room in your heart"

~ Winnie the Pooh
