

Young 3's

Hand in Hand Together We Grow!

Welcome Back !

January 2023

January 10
1st Day back to school

January 12
Christmas Show and Tell

January 16- No Class
Martin Luther King's Birthday

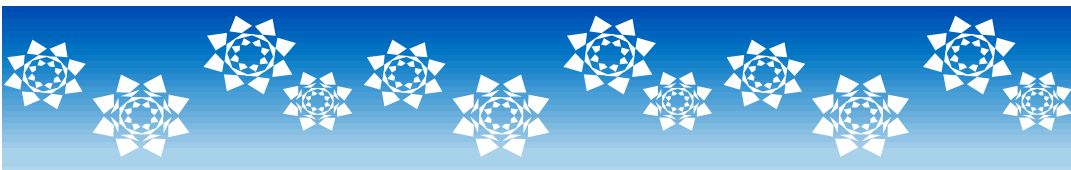

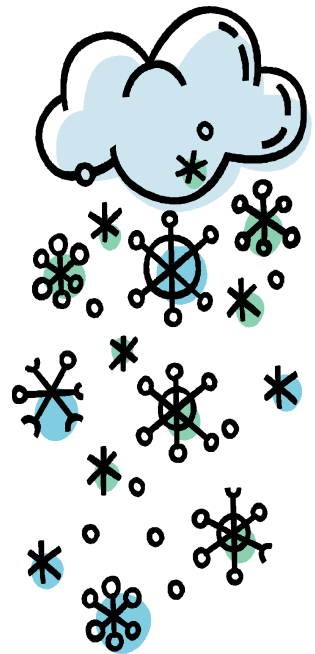

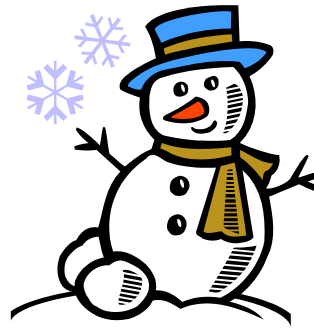

We hope everyone had a wonderful holiday and enjoyed spending time with family and friends.

We had fun last month working on letters K and L, and making Christmas crafts using the star and triangle shapes. We also loved running under and sitting in the parachute, and playing red light-green light.

This month we will be focusing on letters M-O, and the shapes circle, square, rectangle and oval. We will continue focusing on sitting quietly on our fish or bubble on the carpet during circle times, and will be starting to learn how to hold and use a scissors the proper way. We will also continue to trace our names on all our projects.

There will be dress up days to help us get through the dreary cold winter months so keep checking your child's folder for the schedule.

Now that the cold weather is upon us, please refer to the Preschool Illness Policy so we can team up to prevent the spread of germs. If your child is not feeling 100%, they are not themselves and will not have fun at school. Let them take the time to heal. If you do send your child with a continuous runny nose, persistent cough, or other symptoms, we will send them home for the well being of everyone.
