Young 3's

Hand in Hand Together We Grow!

What's been happening...

March seemed to fly by. We worked on letters S, T, and U through crafts and activities and created fun crafts for Dr. Seuss's birthday, St. Patrick's Day, and Spring. We also continued to focus on our numbers and counting through songs and circle time activities.

Once the good weather returns, we may be going outside for large motor activities. Please do not send your child to school in sandals, flip flops or CROCS.

Reminder

Young 3's Program will be on May 14th in the Centennial Community Center. More information will be coming as the date draws closer.

April 2024

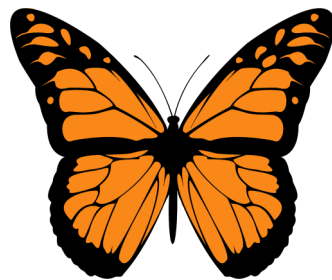

Classes Resume April 9

Arbor Day April 26

Young 3's End of the Year Program May 14

Preschool Picnic May 14

In April, we will continue our alphabet with letters V, W, X, and Y, and continue counting and recognizing our numbers. Caterpillars will be arriving in April and we will watch them move into the chrysalis phase of growth, and finally hatch into beautiful butterflies.

Happy Spring
