Young 3's

Hand in Hand Together We Grow!

What's been happening...

April just flew by!! We made caterpillars and butterflies. We loved watching the caterpillars in our room as they created their chrysalises and waited for them to turn into butterflies. We also continued to learn our letters and numbers.

May will also be a busy month as we end our first school year. The children have really grown in leaps and bounds.

We will finish our letters and assemble our alphabet books, as well as, review our colors, shapes, and numbers. We will also be practicing our songs for our end of the year program.

Don't forget to come to the end of the year picnic on May 14 at 11am after the End of the Year Program.

Reminder

Young 3's Program will be on May 14^h at 9:00 a.m. in the 1-2-3 Room. More information will be coming as the date draws closer.

The Lemont Park District would like to wish you all a safe, happy summer and we hope to see you in the Fall.
